

Another great *Smart Cycling* presentation from *HBC*:

Bicycling across AFRICA...

What we got RIGHT (and what we got WRONG!)

Tom Lais

Tom Lais did the *Tour De Afrique*, an 11,200 Kilometer bike tour from Cairo Egypt to Cape Town South Africa.

He will share lessons about African people, colonial racial attitudes, overcoming his anxiety, and of course *cycling*.

You will go home WISER!

Call your friends!
