

Nancy Ellis – Director 2024 Ride Hiawatha

Nancy grew up in Ohio, raised their family (3 adult children) in the Chicago suburbs and moved to the Twin Cities in 2019 to be close to the grandkids. Nancy's husband Jim is an avid rider who got her into cycling about 25 years ago; and she loves triathlons. Last season we would normally see Nancy on the Tuesday Round the River ride but she retired last fall after spending 30+ years in the software industry and now hopes to join more of other rides this year!

Nancy is excited to re-ignite this premier HBC ride with our new host, Luce Line Brewing and our great Ride Hiawatha Committee. She appreciates all the help and advice from our former directors and volunteers.
